

Client: Davina McCall

Davina McCall is an English television presenter and actress, most notable as the presenter of the UK version of *Big Brother* and most recently of *Lost Family*.

The brief: Tinies Crèches provided Davina with an extensive childcare programme to entertain the children at a garden party. The programme was to be suitable for all ages and to accommodate a minimum of 20 children. The programme was for children to select their activities freely and for parents to join in if they chose to.

Delivery: The garden was set up with activities to suit all ages and abilities. Activities included:

- A tee-pee tent with face painting
- A tee-pee tent for arts & craft activities
- A 'chill out' zone for children to read, relax and rest – story time sessions also operated from here
- Football coach with penalty shoot out and 5-a-side matches
- Bouncy castle assault course
- Cheer leading lesson & routines - performance shown to guests

Service & support: Tinies crèches met with Davina and the event organiser initially to gain a comprehensive brief and to conduct a full risk assessment of the garden and surrounding areas.

Tinies crèches then hand-picked the most suitable childcare care team to deliver the programme of events required. All team members had been interviewed, reference checked and held a CRB (police check), ensuring the safety of the children.

The Tinies Team were easily identifiable in their 'Tinies' uniform' - red logoed polo shirts, black trousers / shorts & name badges.

The day's events were carefully programmed to ensure children had a fun and balanced programme which would be both stimulating and entertaining. The programme was printed and displayed around the garden for guests to view as well as a dedicated member of staff circulating to ensure that children and adults were kept informed and included in the planned activities.

The entire operation from start to finish was managed by Franchise Owner Claire Adams who personally oversaw the operation.

Davina's feedback: "The best thing since sliced bread. Great having a party where the children had more fun than the grownups! And I wanted to do the cheerleading lesson"
